About Specialty Coatings Inc.

Specialty Coatings Inc. provides products and services to our professional customers. We ensure that the chosen solutions for our customers' particular requirements meet their needs for durability, application, and packaging. Our knowledgeable sales and service staff affords our customers the highest level of customer support and attention in order to assure that all of our customers' requirements in the selection of a product that is designed to meet that customers needs. **Specialty Coatings Inc.** strives for 100% on-time deliveries, along with providing complete follow up after the sale to ensure the highest level of customer satisfaction. **Specialty Coatings Inc.** is dedicated to providing our professional customers with the best possible service and a commitment to providing industry leading knowledge, support and follow through for all requests.

Mission Statement

At **Specialty Coatings Inc.**, our operating philosophy is to promote excellence in products, service, dependability, and value. Through the years, **Specialty Coatings Inc.** has continually updated service, product offerings, and processes. We have met the challenges of technological advances through our continued operational improvements, enhanced training, and documentation control.

Industry

Specialty Coatings Inc. provides products and services in the areas of industrial coatings, sealants, lubricants, adhesives, resins along with a diverse group of automotive paints and finishes. We also provide ancillary industry products and accessories to our customers including abrasives, application systems, masking products and safety supplies.

Specialty Coatings Inc. provides professional services and quality products to our customers in the market sectors of Industrial, Automotive Refinish, Marine, Architectural, Aerospace, and Defense.

General Company History

Since March of 1999, **Specialty Coatings Inc.** has been manufacturing and distributing paints, coatings, and supplies for industrial, automotive refinish, marine, architectural, and military applications. **Specialty Coatings Inc.** was founded by Dan Brownlee whose past experiences working for Sherwin Williams and Akzo Nobel gave him the necessary knowledge and experience to effectively manage and grow **Specialty Coatings Inc.** to what it has become today; a respected and trusted supplier of coatings and supplies to local, national and international customers. He has assembled a team of seasoned professionals that strive for total customer satisfaction. **Specialty Coatings Inc.** prides itself on being able to meet the changing and diverse needs of our professional customers. Our relationship with experienced specialty product formulation manufactures gives us the ability to custom blend and manufacture products to meet our customer's demands. The products we sell are designed for application by professionally trained personnel and are not intended for sale to the general public. At **Specialty Coatings Inc.**, we are "professionals serving professionals."

Give our staff at **Specialty Coatings, Inc.** a call for outstanding products, service and support.
